

Complete Staff Of Mokena Grade Schools

Two teachers, needed to complete the Mokena faculty for the 1966-67 school year have been hired. They are Mrs. Alma McCarthy and Mrs. Ruth Welsch.

Mrs. McCarthy has had two years of teaching experience at Flossmoor. She attended Joliet Junior College for two years and completed her teacher training at Southern Illinois University, Carbondale receiving her degree in 1964. Her parents are Mr. and Mrs. Russell Lauffer of Mokena. Mrs. McCarthy will teach second grade.

ALMA MCCARTHY

Mrs. Welsch taught in the Mokena Schools in 1964, but did not teach last year. Her experience includes three years in Ohio besides the year in Mokena. She is a graduate of University of Illinois and has recently completed additional teacher training at College of St. Francis in Joliet. Mrs. Welsch will teach fourth grade and one section of seventh grade language arts.

Those returning to their teaching positions are Mrs. Elaine Grant, Mrs. Karen

Ivens, and Mrs. Paulette McGuire, first grade; Mrs. Jeanne Burroughs, and Mrs. Joan Olson, second; Mrs. Dorothy Grady, Miss Mildred Lestina, and Miss Eleanor Pester, third; Mrs. Virginia Fuley, and Mrs. Minnie Pester, fourth; Gene H. Morrall, and Mrs. Rita Schilling, fifth.

Junior High (sixth, seventh, eighth grade) Miss Mary Donahue, and Mrs. Marcella Lehmann, language arts; Jerry McGuire, science, boys physical education and health, and Miss Judy McClain, girls physical education and health; Mrs. Madelon Gregory, math; Richard Quinn, history; Eugene Dilworth and John McCarthy, science and geography; Miss Sharon Connolly, vocal music, and Perry Friedman, instrumental music; Mrs. Wilma Wegler, speech correctionist; and Mrs. Sheila Wellman, library clerk.

Coleman Rogers will again serve as Principal of Willowcrest School, while Mr. Morrall will be in charge at Carpenter Street School. Mrs. Violet Weitendorf will serve as school secretary for Carpenter Street School, and Mrs. Margaret Mueller will be the school secretary at Willowcrest School and will also serve as the district bookkeeper and Board of Education secretary.

Supt. James Ennis announces school fees may be paid anytime during the summer to avoid the long lines on the first day of school. Book rental will be \$9.50 and milk fees for the year will be \$5.

Physical and dental examinations are required by law for all students entering first and fifth grade, and new

students entering from out of state. Health forms must be completed before school opens on Wednesday, Aug. 31.

Village Tells State To Cut Weeds

Village and township officials have always had a difficult time in getting property owners to rid their lots and land of weeds and thistles. Every spring officials begin their campaign to eliminate weeds from the scene. Experience has taught them that probably the quickest way to get the job done is to hire the cutting done and bill the owners.

And just in case there are owners who have not paid those bills and have no intention of paying them it should be pointed out that most of these taxing bodies have a habit of putting a lien on the property that will have to be paid when it is sold.

But officials of the village of Frankfort are faced with a different culprit now -- the Great State of Illinois, as the politicians refer to it in their public utterances. The state has disregarded the fact that along U.S. 30 and along U.S. 45 in the vicinity of Frankfort there are some fine specimens of weeds growing, including thistles, it was declared at the meeting of the village board Monday night. Mayor Glenn Warning, with the approval of the board, instructed Village Attorney August J. Santoro to write the state division of highways and tell them to cut the weeds along the highways thru Frankfort.

New Water Mains Are Now Ready For Use

Chlorination of the water main extensions in Mokena has been completed and it was expected that the lines would be ready for use today.

A village spokesman said that beginning today householders could tap onto the new mains. Persons living on both sides of Parker will tap in and some of those on First St., St. Mary Rd. and Walsh Lane, and other areas accessible to the lines will take advantage to get improved service.

There are some persons, it was noted, who get their water supply thru small pipes that connect with 2-inch pipes that hook-up with the regular mains. They get water, it was said, but the pressure is poor. However, it was said, some would elect to stay with such systems.

The new mains have been filled with chlorinated water for the past week but by today they were to have been flushed and are ready for use.

When the pump and electrical control panel are installed in the pump house at the new well site east of Wolf Rd., the well will be put into service.

The new well is a better producer than the well now in service and it also provides insurance in the event any-

thing happened that would cause the original well to shut down. Until the new well was drilled Mokena had only the one source of water supply.

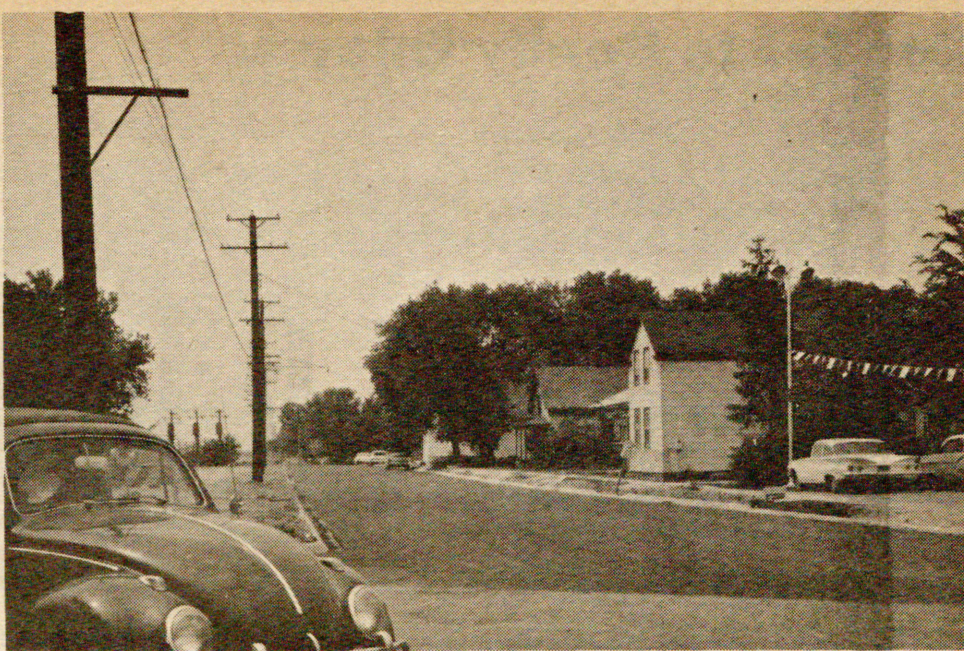

At the suggestion of Trustee Marvin Weitendorf the village board had Blaine Saxton extend the contract for the new water lines to include an 8-inch main from LaPorte Rd. to Bonness St. at Anna St. to tie into the new well. The cost will be paid out of the water and sewer account.

Seek Games To Amuse Wounded In Viet Nam

In response to a request from one of its members, M/Sgt. William Seal, now serving in Viet Nam, William Martin Post No. 725, Veterans of Foreign Wars, has embarked on a project to entertain the wounded there.

Seal has written that time often drags for the wounded and the ill that pass thru his forward aid clearing station.

"Some of these guys are in bad shape," he wrote the Mokena post, "and have had a hard time in the field. When we get them we clean them up, but have been unsuccessful in providing them with

STREET FINISHED--That portion of Mokena's Front St. between Wolf Rd. and the west village limits, has been rebuilt and was opened to the public last Sunday after having been closed for several weeks. The street was widened, curbs and gutters installed, and eight inches of asphalt laid. Half of the cost of the improvement was borne by the Will County highway department. The total cost was approximately \$20,000. Mokena is paying its part out of its share of the state motor fuel tax. Ralph Yunker, village engineer, designed and supervised the project. When the street was put in a storm drain was installed. The village hopes to finish the eastern section of Front St. up to Schoolhouse Rd. in the same fashion as the improved portion. Annual 4-H Fair To Be Held July 26, 27 & 28

4-H Fair time is coming up. The annual Will County 4-H Show is to be staged at Francis Field, New Lenox Township, next week, July 26, 27 and 28. The annual Cook County 4-H Fair will also be held at Francis Field the next two days, July 28-29.

The public is invited to both exhibitions. There is no admission charge.

According to Webster Bay, assistant Will County Farm Adviser, more than 1,000 entries will be judged for honors in the Will County 4-H Show.

There is to be a dog show at 6 p.m. on Tuesday, and a horse show on Wednesday evening. Dairy cattle judging will be one of the highlights of the Wednesday session and the beef breeds on Thursday.

At 7:30 p.m. Thursday

(July 28) the winning county 4-H-Share-the-Fun act will be part of the evening program. Bernard Heisner, Peotone, selected as the county's top master of ceremonies, will introduce the participants in the program. Also on the program will be the top agricultural and home economic 4-H demonstrations, the top boy and girl public speakers and the county's 4-H dress revue winners.

The County 4-H Federation members will operate the food stand and all profits will be used to support the Federation's programs, it was announced.

Judging on the opening day, July 26, will be concerned with gardening projects; petrology, soil and wildlife conservation; rabbit; poultry; swine; electrical projects; tractor and auto contests and flower and indoor gardening. Mrs. John L. Chestnut, Sr., Mokena, is superintendent of the gardening project and Dan Martin of Flowers by Dan, New Lenox, will serve as judge.

Roy Fitzer, New Lenox, will judge the rabbit show.

The tractor and auto contests are both skill driving events.

Dr. George Woodruff, New Lenox Township, will judge the bird study projects on Wednesday. This division is supervised by Mrs. Orman Boldt, of Lemont. The photography exhibit will be judged by Jim Morris of the Camera House, Joliet.

The dairy and goat divisions will be judged by S.T. Smith, U. of I. Area Dairy Specialist. Dale Kratzen-

berg, Frankfort, and Ronald Hack, Peotone, are the superintendents.

James L. Chestnut Sr., Mokena, is superintendent of the sheep division of which Dr. T. R. Greathouse, U. of I. Animal Science Extension Specialist, will serve as judge.

Donald Warning, New Lenox, and Edward Failing, Joliet, are superintendents of the 4-H horse show Wednesday evening. William Roberts, of Double Tree Quarter Horse Farm, Barrington, will be the judge.

George Archibald, of New Lenox, and Lawrence Meyer, Manhattan, are superintendents of the beef show, Thursday. Dr. Greathouse will be the judge.

Arrest Two After Row With Mokena Police

Two Mokena men are at liberty under bonds following separate altercations with Police Chief Roy Newton, Tuesday, July 12. Their cases are to come up in Circuit Court after Aug. 1.

Arrested were George Rust, 36, of Front St., and John Popilek, 36, of Hillgate Rd.

According to Chief Newton's report he went to the Rust home Tuesday night to caution him about his driving. Rust became abusive, the chief said, and attempted to strike him. He was finally restrained and taken to the county jail. He was charged with disorderly conduct and resisting arrest and released on bond Wednesday morning.

Popilek was arrested twice and each time released on bond. The first arrest took place about 1:45 after Newton received a call that a motorist had driven off after striking a parked car owned

Mokena Offers Industry Ample Water Supply

Mokena has a very important product to sell prospective industry -- an ample water supply.

This was stated by Maurice Angland, of the Mokena Industrial Development Committee. He pointed out that water is quite a problem in many communities but that Mokena is very fortunate in this respect.

Angland is in receipt of a letter from R.H. Wehling, whose well drilling firm brought in the new well at Mokena, in which said that many industries and communities would be overwhelmed to have a water supply like Mokena.

The new well pumped in excess of 2,200 gallons an hour in a 24-hour test without pulling the water more than 70 feet below ground level and would have pumped a greater amount had a larger power pump been available, it was said.

Breeder Gets Prefix

Alvin E. Johnson, New Lenox, will have the exclusive use of the prefix "Alstead", in naming all Registered Holstein dairy animals bred in that herd.

Use of this prefix name has been granted by Holstein-Friesian Association of America; it also becomes a part of official breed records at the national headquarters in Brattleboro Vt.

Nearly 1,500 prefixes are reserved for Registered Holstein breeders each year. More than 42,000 are now on file for use in giving distinctive names to home-bred cattle. Reservation and use of these prefix names became an active membership requirement in 1965.

Miss Susan Hentsch Wed In California

MRS. WALTER B. FLORENCE
(Behnke photo)

Miss Susan Rae Hentsch, daughter of Mr. and Mrs. Walter Hentsch, Denny Street, Mokena, became the bride of Walter B. Florence, July 1, at 4:30 p.m., in the chapel at the Navy Base, San Diego, Calif.

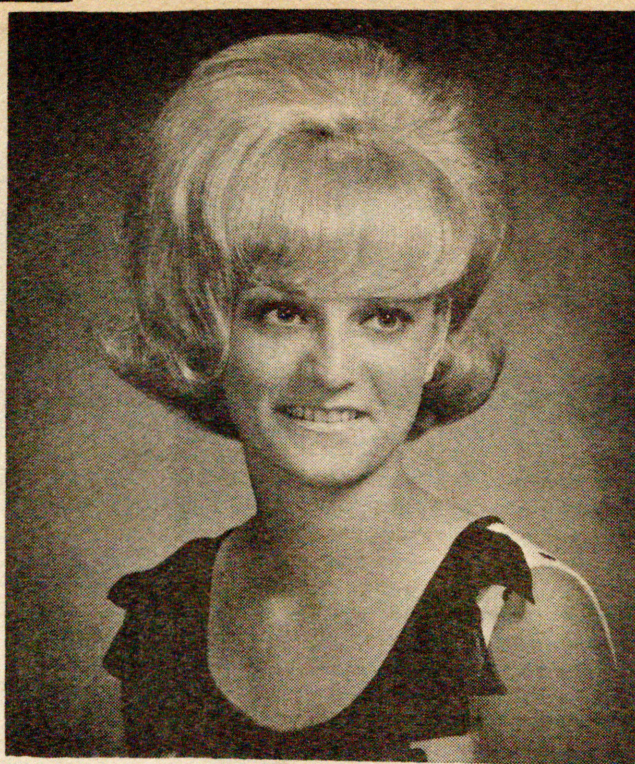

The bride wore a white street length dress with a small hat and veil and carried a white carnation nosegay.

A small reception was held at the couple's apartment

at 1262 - 17th. St. in San Diego, Calif.

For her daughter's wedding, Mrs. Hentsch chose a gold two-piece suit with black accessories. She wore a white corsage. Mrs. Orrian Yunker, aunt of the bride, accompanied Mrs. Hentsch and Susan to California for the wedding.

The couple is now residing in San Diego, where the bridegroom is in the corpsman training school.

REGINA MARIE STANGER

SUMMER WEDDING plans are being announced by Miss Regina Marie Stanger, daughter of Mr. and Mrs. Louis Stanger, 11031 Denny Street, Mokena, and Harry L. Tatro, Jr., son of Mr. Harry Tatro, Sr., 139 Circle Drive, Joliet and the late Mrs. Tatro.

The ceremony will take place on August 27, at 3 p.m. in St. Mary's Church, Mokena with the Rev. Cecil Koop reading the nuptial vows.

All relatives and friends are invited to attend the wedding ceremony. Invitations have been issued for the reception to be held at Cavalini's in Midlothian from 7 to

11 p.m. Both Miss Stanger and her fiancé attended Lincoln-Way High School. She is presently employed by Keystone Aniline and Chemical Co., Inc., in Chicago. Mr. Tatro is stationed with the US Army at Ft. Sill, Okla.

Announce Engagement Of Sandre Swinford

SANDRE SWINFORD

Mrs. and Mrs. Andrew Zink, 110 Greenview Ave., Mokena, are announcing the engagement and approaching marriage of their daughter,

Sandre L. Swinford of Long Beach, Cal., to James M. Hatch, son of Mr. and Mrs. Donald Hatch of Harbor City, Calif.

The wedding is to be on August 19, at 7:30 p.m., in St. John's United Church of Christ, Mokena, with the Rev. Lasle Hunyady officiating. The reception will be immediately following the wedding, in the church parlors. Some invitations have been issued, but all friends and relatives are invited to attend.

Miss Swinford attended Eastern Illinois University and is a graduate of Long Beach State College. She is presently a music teacher in the Garden Grove Calif. United School District.

Mr. Hatch attended Harbor City College and is presently employed by the Research Dept. of Western Gear Corp., Lynwood, Calif.

that has arranged over 15,000 adoptions. She is a devoted mother, and plans to have her four children stay with her during the play's run at Drury Lane. The tickets for the show can be obtained from any Altar and Rosary member at the cost of \$3.50 per person. The curtain is an early one, 7 p.m.

The theater is easily reached from this area. The address is 2500 W. 95th. Translated to easy directions, that means one block west of Western, on 95th Street.

Drury Lane is connected with the beautiful Martinique Restaurant and since many people are planning to have dinner before the play, the management has promised a bonus of 25 cents to be added to St. Mary's fund for every dinner purchased by friends of the parish that afternoon and evening.

Excess water on a sandy soil tends to wash out soluble plant foods.

You can water your garden during the evening so the water can penetrate soil without excessive evaporation. This is common practice. However, wet foliage at night encourages the spread of plant disease. You can avoid this if you water with a device that does not wet the foliage. Another alternative is to water early enough in the evening so that the foliage can dry before dark.

The use of porous hoses is becoming quite popular.

Group From St. Mary Plans Theater Party

Miss Jean Sagan of Mokena, chairman, has announced that St. Mary's Altar and Rosary Society will sponsor a theater party on Sunday, July 31, at Drury Lane Theater. As many Mo-

kena residents know, Drury Lane is a theater in the round. Every seat is said to be a good one in this type of theater.

JANE RUSSELL

Jane Russell will star in the production, "Catch Me If You Can." It is a fast moving mystery-comedy, a type of play that she does so well. Miss Russell is a star of great merit and is also well known for her work with WAIF, an organization

ried a bouquet of tapered cascade gardenias and lilies of the valley.

Kathy Seckendorf, matron of honor, wore a yellow linen floor length gown with lace jacket. Marguerite Olson, the bridesmaid was dressed identical to the maid of honor.

Best man was Fred Seckendorf with ushers Robert, Rick, and Ronnie Olson.

The brides mother chose a two piece lace knit dress with green accessories. The groom's mother was dressed in a two-piece knit pink suit with matching accessories.

For her going away trip, the bride chose a pale silk floral print and coat with lining to match the dress. After the reception, the couple left for a wedding trip thru Illinois, Missouri and Arkansas.

Too much of a good thing is harmful. For people this may mean an excessive poundage if over eating is the problem.

In the garden overwatering can be injurious. Plants soon yellow and die in a muddy waterlogged soil. However, underwatering with frequent light surface sprinklings can be just as bad.

Don't start watering your garden until the soil is dry. Not powdery dry, but dry to the touch. Then soak thoroughly so that it is moist to a depth of 6 inches to a foot. A trowel shows the

penetration. Such a watering takes care of a garden, even under drought conditions, for a week or ten days. It may take a half hour or more, perhaps as much as three hours, to apply enough water to wet the soil to the desired depth.

Light frequent sprinklings only wet the surface and help weeds more than the garden. Usually, when light sprinklings are given regularly, the plant roots grow towards the surface and become very shallow-rooted. A few days of drought under such conditions can be fatal.

Both root penetration and moisture flow through the soil are greater in sandy soils than clay. Thus, deeper watering is needed, although it probably takes less water and time to do the job.

Vonnie Lou Mahan Becomes Bride Of Roger T. Olson

On May 7, at 2 p.m. in St. Mary's Church, Mokena, Miss Vonnie Lou Mahan, daughter of Mr. and Mrs. Tipp Mahan, became the bride of Roger Thomas Olson, son of Mr. and Mrs.

Robert Olson of West 193rd Street. Both are residents of Mokena. The Rev. Cecil Koop O.F.M. read the nuptial vows.

The bride was escorted to the altar by her grand-

father, Von Holladay. She was wearing a floor length Organza gown with lace bodice and matching train. The fingertip veil was attached to a headpiece of pearls and sequins. She car-

School Registration, Oakview July 25-29

MRS. DOLORES ANDERSON
Telephone: 485-2365

School registration for all pupils, grades 1 through 8, of New Lenox School District 122 will be held at the Oakview School the week of Monday, July 25th through Friday, July 29th from 8:30 A.M. to 2:30 P.M. each day.

All pupils, except kindergarten, who will attend school in the New Lenox district, which includes Oakview, Haven, Haines, Cherry Hill and Schmuhl schools are required to be registered. It is unnecessary for children to be present at the registration.

The book fee is \$10.00 per child for all grades. Milk may be purchased for the school year at \$5.50 per order. An Accident insurance plan is also available. The premium for the student accident insurance policy is \$2.00 for the regular school coverage and \$12.00 for the "around the clock" coverage. Pupils entering third grade are required to purchase a special dictionary which they will use on through grade eight. Kindergarten pupils have been pre-registered and fees will be collected at the orientation conference. Parents will be notified by letter regarding orientation conference times.

The New Lenox Newcomers Club will have their monthly meeting Thursday July 21st at 9 p.m. at the home of Mrs. Shirley Uber, 114 E. Wood street. All new residents of New Lenox are welcome to this meeting and to a steak fry that will be held on Saturday July 23rd at 7 p.m. at the home of Mrs. Diane Adams, 227 Ash street. Those wishing to attend the steak fry are asked to please contact Mrs. Judy Hodges, 485 - 6050.

The New Lenox Unit of Homemakers Extension will meet Friday afternoon July 22nd at one o'clock at the 4-H field on Francis road, instead of the Methodist church as previously announced. The Bluebird 4-H girls club will entertain with demonstrations and Mothers of the girls are also invited to attend.

Mr. and Mrs. Ronald Wheatley and children, 125 Haven avenue, have returned home from a fishing trip and a vacation spent in a cottage on the lake at DuQuoin, Illinois. While there they visited with his father, Ray

Wheatley, and with his grandmother, Mrs. Edna Wheatley and other relatives.

The Ladies Auxiliary to Harry E. Anderson V.F.W. Post 9545, recently held their July meeting at the Post Home. Mrs. Betty Paslaski conducted the first meeting of her term of office. Mrs. Francis Torkelson acted as Secretary pro-tem. Mrs. Shirley Cruise assumed her treasurers duties for the coming year. Mrs. Paslaski asked the following members to accept chairmanships as follows: Shirley Cruise, Membership and Americanism; Alice Fraser, National Home, Historian and Patriotic Instructor; Terry Wahl, Hospital and Youth Activities; Frances Torkelson, Rehabilitation and Way and Means; JoAnne Dalley, Legislative and Press and Radio; Josephine Bruck, Poppy Chairman; Betty Reener, Child Welfare; Helen Roesel, community Service; Adonia Mietsner, Graves Registration; Frances Osmus, Blood Donor chairman. Each chairman is to be provided with a record book to pass on to her successor. The Auxiliary agreed to send a \$25.00 donation towards purchasing canned foods for residents of the V.F.W. National Home in Eton Rapids, Michigan. Alice Fraser led a discussion on plans for a "Hat" party to be held at her home in the near future. Commander Ed Reener and several Post members were guests at the coffee hour following the meeting. Mrs. Betty Reener and Mrs. Terry Wahl were hostesses.

Mrs. George Wheeler and children Ed, Paul, David, and Carol, are enjoying a three weeks vacation in Los Angeles, Calif. where they are vacationing with her brother John Fraser and family. While there they will visit many places of interest, Disneyland, Knott's Berry Farm, Farmers Market, etc. They left on Monday by train.

Mr. and Mrs. William Waldvogel and son have moved from Joliet, into their newly purchased home here, the former Harold Alexander place on East Francis road.

Members of the Home-Art club enjoyed a pot luck dinner at noon yesterday at the home of Mrs. Robert Taylor on Cedar road.

Mr. and Mrs. Allan Creer are the parents of a son born July 6, at Silver Cross hospital. The baby weighed 6 pounds, 9 ounces and will be called Steven Allan. Mrs. Creer will be remembered formerly as Diane Schoen.

Daniel William was the name given the infant son of Mr. and Mrs. William Elwell when he was baptized last Sunday in the St. Peter's United Church of Christ by the Rev. LaVern Smith. The sponsors were Marcia Deist and Dale Brown. Later a buffet supper was served for the sponsors and grandparents, Mr. and Mrs. Charles Elwell and Mr. and Mrs. Oran Deist, and was held in the parents home.

Rev. and Mrs. LaVern Smith and family visited with

his parents Mr. and Mrs. Arthur Smith at Collinsville recently.

After visiting relatives in West Virginia for a week, Mr. and Mrs. James Roberts and family of Bowen St. returned home. They visited with his mother, Mrs. Hannah Reed at Iaeger and her parents Mr. and Mrs. Wm. Burchett at Havaco, also in West Virginia. Mrs. Roberts parents returned home with them and are houseguests while visiting other members of their family residing in Chicago.

Mr. and Mrs. Lloyd Maebey of Garden Grove, California spent a week here with his brother, Willis Maebey, who makes his home with the Rev. and Mrs. Charles Kepler.

Mrs. Helen Peters and daughter, Anita, of Tulsa, Oklahoma, arrived Sunday for a visit with her sister and family, the Rev. and Mrs. Charles Kepler.

A committee is to check prices and get further information before making a recommendation to the board.

Frankfort has purchased a new truck, snow plow and cinder spreader on the installment plan. This type of buying was made available to municipalities at the last session of the general assembly.

Here's Way To Cool Off-Think Of Snow Plows

If holding the proper thought can give some relief from the heat that has held most of the country in its grip this summer, the members of the Mokena village board should be comfortable.

The board is considering the purchase of a snow plow and a cinder spreader for the new truck it has bought. Thinking of snow blocked and icy streets should be a cooling thought.

Liken Industrial Development To Ruhr Valley; Communities Can Share In Predicted Prosperity

The anticipated industrial development in this area is reported to be of such magnitude as to surpass the Ruhr Valley of Northwest Germany, long renowned as one of the largest single concentrations of industry in the world. In fact, the Gary-Hammond area is now being called the "American Ruhr Valley" due to the its vital industrial complex. It is the world's largest producer of steel, oil refining, petro-chemicals and allied products.

The western boundary of this industrial complex can be said to include the Joliet area and the steel plant of Jones and Laughlin at Hennepin, where Interstate 80 and the Illinois River may be used for transport service. Iron ore from South America will reach this steel mill via barge.

PORT OF CHICAGO

At a recent meeting of the Southwest Development Committee, Richard L. Bronwell, chief of international trade, U.S. Department of Commerce, was guest speaker.

Members eagerly heard the plans he outlined for increased foreign trade, development of the Port of Chicago and the Lake Calumet Complex.

This immediate area, centered in the midst of expectant explosive developments, cannot help but be affected by the exciting predictions.

The completion of Interstate 80, expected to reach Harlem ave. on the west by October, will provide the last link in the transportation system, necessary to the expected increased development.

STRATEGIC LINK

Harold M. Mayer, Professor of Geography at the University of Chicago, is quoted as saying: "The completion of the 'missing link' of Interstate 80 between Hazel Crest and the intersection with Interstate 55 west of Joliet, will provide one of the most strategic highway links in the United States. It will provide the principal transcontinental route through the nation's third largest metropolitan area and will

serve a portion of that area which will continue to experience rapid population growth. The area through which it will pass has significant prospects for industrial expansion.

Professor Mayer is an internationally known geographer, who has served as planning consultant to Chicago and is the author of numerous books, papers and articles.

Maurice P. Angland of Mokena, a stock broker whose office is in Chicago Heights, has been one of the most active area citizens in advocating the completion of the "missing link" of highway that will eventually connect with Interstate 55.

Angland states that the completion of the 29-mile link from Hazel Crest to I-55 would give two thirds of the United States access to the world's largest industrial complex.

He was instrumental in the formation of the Southwest Development Committee, whose members are leaders in their communities, and of whom is Kenneth Webster, a trustee on the Tinley Park village board, who is chairman.

Webster has successfully solicited the support of the 27 Jaycee chapters in the area to help in the work of the Committee. He is a past president of the Tinley Park Jaycees and was recently elected a state vice-president of the organization.

ACCESS TO WATERWAYS

To corroborate the predictions of rapid industrial expansion for the area, Bronwell outlined for Committee members many reasons why it is so.

"Chicago is one of the few places in the country from which it is economically feasible to ship out of any one of the five coasts - North and South - Atlantic, Gulf, Pacific and Great Lakes," he said.

The water complex in Chicago consists of the ports in Lake Calumet, Calumet River, Navy Pier, and North Pier, plus the Chicago Sanitary and Ship Canal which joins the

Des Plaines River north of Joliet. The waterway continues to New Orleans and the Gulf of Mexico, via the Illinois and Mississippi Rivers.

Governor Kerner and other state and local dignitaries celebrated completion of deepening of the canal channel to the junction point of Cal-Sag and Ship and Sanitary Canal from Chicago. Canals can now carry "integrated tows," which in traffic volume are about the same as three to five fully loaded freight trains.

CONNECTING WATERWAYS

"Chicago," said Bronwell, "is the only international port with 9,000 miles of connecting inland waterways, so there is inter-coastal transportation, as well as international transportation."

He predicted increased foreign trade because this is the only inland area in the world where river, lake, ocean, rail, truck and air facilities for international trade are available. Also, Chicago is the only port in the world with direct access to super-highways and with ample trunk and automotive ingress and egress.

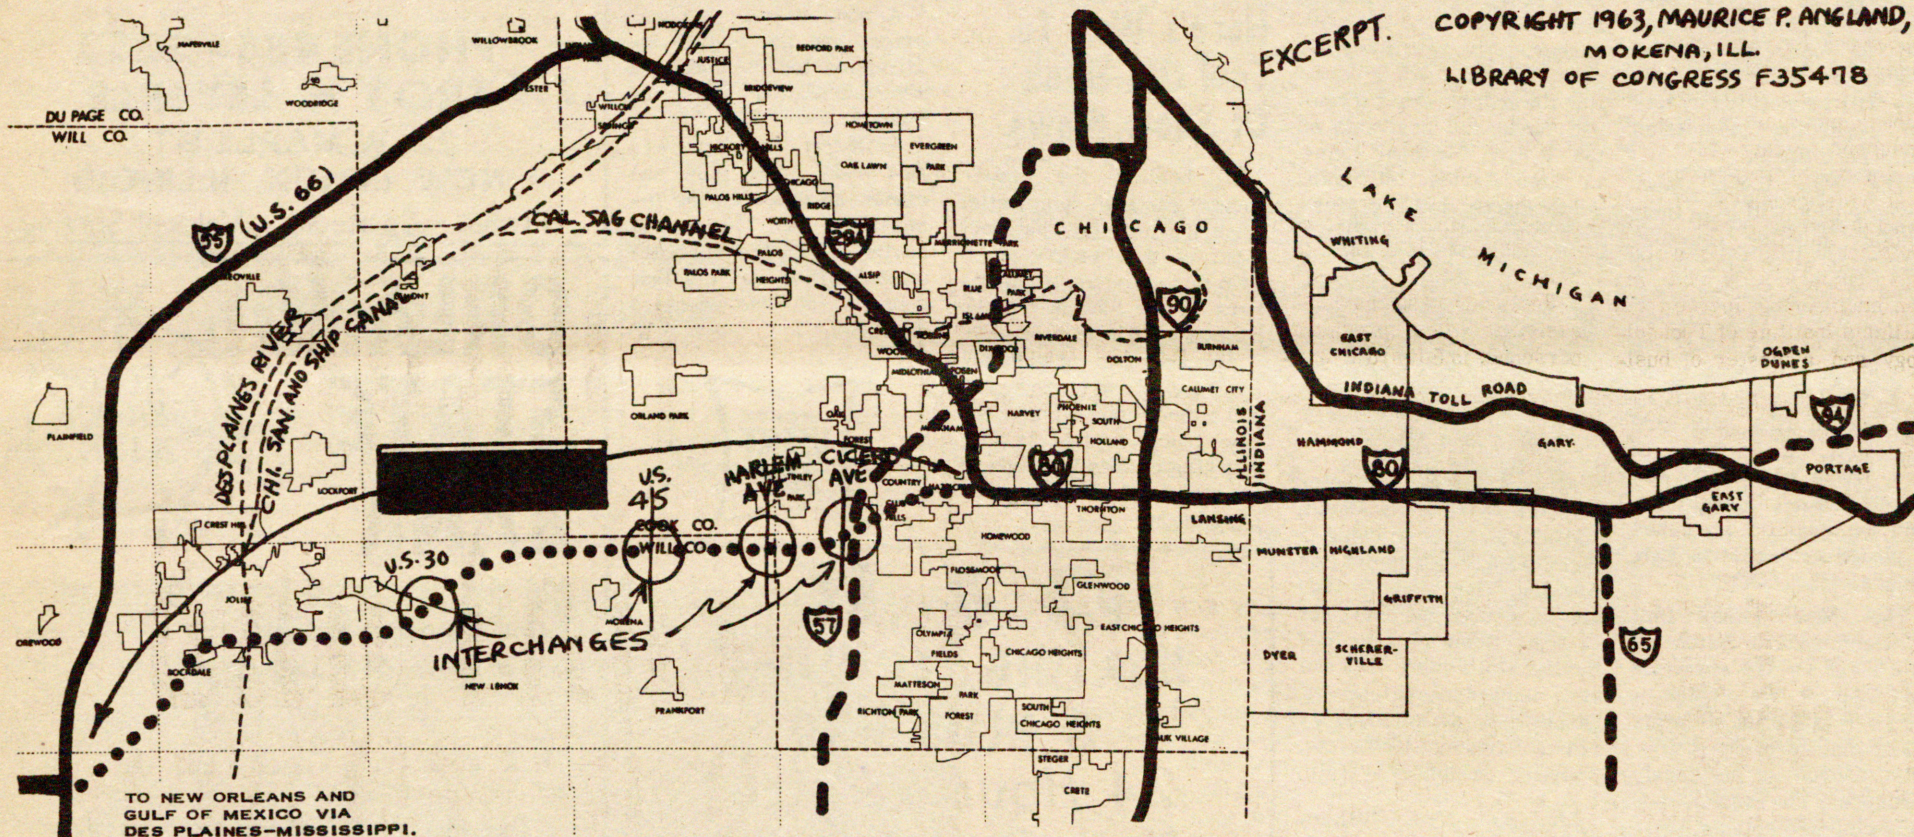

Bronwell also advised that major steel companies have or are in the process of investing three billion dollars in new steel producing capacity in the Chicagoland area. He said that this will mean additional exports from the area and new factories in the communities.

Area communities, he asserts, can attain additional profits and stature by providing stimulus and interest in a location near a world port.

We have heard a great deal in the last decade of how this area will grow, but now it appears to be a reality.

These communities not now actively preparing for the future will not share in the potential wealth of the anticipated prosperity.

In the immediate area, the greatest concentration should be on improving roads and storm drainage.

Tornado Warnings Shorten Ball Games

MRS. EDWARD HOVI
Telephone 479-5740

The Angels Farm Team was anything but Angelic in trouncing the Wildcats Farm Team by the score of 12 to 5 with the game being called after five innings, because of tornado warnings.

The Wildcats were more fortunate in their other game last week, when they defeated the Lincoln Estates Farm Team in extra innings 6 to 4.

The White Sox Little League team played a slug fest game against Lincoln Estates and clobbered them by the score of 19 to 2.

The Red Sox Minor League team played only one game last week against Lincoln Estates. This was not exactly a pitchers battle with the final score being 11 to 10 in favor of Arbury Hills. This game was also shortened, because of the tornado warnings.

the remainder of the boys and their managers to have to forfeit a game, because some boys are too busy to bother showing up.

The Arbury Estates Cubs also played two games last week with identical scores of five to four. The results were exact reverses of each other. The game against New Lenox ended with New Lenox on top by the slim one run margin. The boys had reason to celebrate over the second game when they managed to defeat the Mokena team by the same one run difference. There was also a third make up game scheduled against Frankfort but it had to be called off.

Marian and Chuck Wallis became the parents of their seventh child, now giving them a quartet of girls, to match the boy trio. She was born on July 6 at the St. James Hospital, Chicago Heights.

The newcomer was named Beth Ann and was a seven pound two ounce bundle of joy, who joined the assortment of older Wallis

children a week later. Beth Ann's brothers and sisters are: Mary Jo, 10; Michael, 9; Ann, 7; Chuck, 6; Jimmie, 4 and Meg 2.

The Drury Lane Theatre Party for St. Mary's Church will be held on Sunday evening, July 31, with Jane Russell starring in the production of "Catch Me If You Can", a three act comedy-mystery.

The curtain will rise at 7 p.m. and the tickets will be \$3.50 per person. They may be obtained in Arbury Hills from: Mrs. Leanne Blecha, 479-5607, Mrs. Carolyn Cronos, 479-5038, Mrs. Ole Heim, 479-5755, Mrs. Joan Rankin, 479-9129, and Mrs. Mary Mundt, 479-5360.

The Arbury Hills Baby Sitters Cooperative will change their secretary's book from Mrs. Ardell Borcherdt to Mrs. Leanne Blecha on Aug. 1 for the month of August. Any member needing a sitter during August should contact Mrs. Blecha after Aug. 1, at least twenty-four hours in advance of the date needed.

NI-Gas New Vice President

Northern Illinois Gas Company has announced the election of George C. Habenicht to the office of vice president - personnel, planning and research.

Habenicht, former assistant vice president of personnel, began his career with NI-Gas in 1946 as an assistant engineer. He received an engineering degree from Illinois Institute of Technology and a master of busi-

ness administration degree from the University of Chicago.

A member of the Illinois State Chamber of Commerce, the Newcomen Society in North America and the American Gas Assn., Habenicht and his wife and two children live near Elburn.

Replacing Habenicht as assistant vice president-personnel is Edward T. Will-

auer, formerly manager of the utility's Southern division. He has been employed by the company since 1929 and is also a member of the American Gas Assn. Willauer and his family live in Chicago Heights.

NI-Gas also announced the election of Norbert G. Oliver to the office of assistant treasurer. Oliver was formerly supervisor of financial rate and research. A

FORGET THAT GAS IS CHEAPER.

Gas heats water fast

Maybe you heard it again today: "Hey, who used up all the hot water?" Or was it you who said it? Just as you were almost finished showering, and the water turned cold.

With a modern gas water heater, using up all the hot water is practically impossible.

That's because gas makes the big difference—goes to work fast. Keeps a full supply always ready, automatically. Being in hot water this way is a pleasure you'll welcome every time you turn the tap.

Why settle for less? Have your plumber-dealer or Northern Illinois Gas Company install a modern, fast gas water heater in your home. Call today.

Orland Park

Home Extension Unit To Receive Lessons

MRS. SHERMAN KNOX
Telephone: 349-0211

The meeting of the Orland Park Home Extension Unit was held July 15 at 8 p.m. with 20 members present. Miss Marianne Cooper, daughter of Mrs. Sally Cooper and Miss Pamela Andresen, daughter of Mrs. H. P. Andresen, were guests for the evening.

The members were happy to see Mrs. Richard Knoll and Mrs. Victoria Tanderack attending the meetings again.

Mrs. Alvin Bormet read the minutes of the last two meetings and the treasurer's reports. A motion was made and passed to donate five dollars yearly to the South Cook Home Economics 4H fund to be applied to their work or relaxation needs, as they see fit.

A Christmas Crafts lesson will be given September 8, and a lesson on Fish Cookery and storage will be given on September 20 at St. Paul's Church in Blue Island. These two lessons will be given to the units at later dates.

The lesson, Art in the Home, was given by Mrs. Angelyn Carey.

Due to the illness of Mrs. Bessie Lizak, the lesson on stained glass was postponed until a future date.

The date for the unit's trip to Lee Wards, Hagar Pottery and the little Wood Shop in Elgin and luncheon at the Milk Pail, is still tentative. More on this at a later date.

Hostesses for the evening served delicious home baked coffee cakes on a beautifully set table. The hostesses were - Mrs. Mamie Cooper, Mrs. Merrill Koester and Mrs. George Sayers.

Mrs. Evelyn Bettenhausen and Mrs. Sally Cooper extended a cordial invitation to the 4H Fair, the 29th and 30th of July at Francis 4H Field in New Lenox. It is most important to support the efforts of our young Americans in 4H.

The Hostesses for September will be Mrs. Evelyn Bettenhausen, Mrs. Foster

Myrick and Mrs. E. F. Zelinski.

Information on any of the above, call 349-8535.

The Cooper Family Reunion will take place at Mokena Community Park, Sunday, July 24th. A Pot-luck dinner will be served at 12:30 p.m.

ALL THE WAY at Santa Fe midget races but Gary Bettenhausen shown here flying along was unable to get up front where the money was last Friday night. The Graphic Newspapers photographer, Pat Callahan, was doing some fast work himself to single Bettenhausen's car out of speeding pack of midgets.

Kladis Team Father, Son Have Big Night

The fans who attended the races at Joliet Memorial Stadium last Saturday night were treated to spills, chills and thrills.

The Kladis team of father and son Danny and George, driving the McDowell Volvo powered cars, made it a "Kladis night" at the Stadium with "Daddy" Kladis winning the first heat event and the 15 lap-semi. Son George, not to be outdone by the senior member of the driving team, sped across the finish line ahead of the rest of the field in the 30-lap feature event. This was George's third feature win of the season. He is tied with John "Pancho" Padilla for feature victories.

Dick Akins and Pancho Padilla were involved in a spectacular crash on the 24th lap of the feature event. Both cars went out of control on the fourth turn and crashed, almost head-on, into the concrete retaining wall. Altho Akins was momentarily shaken - up, both drivers walked away from the accident. The race, halted with six laps to go, saw George Kladis, Bill Kollman, Phil Palombo and Hank Pens cross the finish line, in that order, following the restart.

Newt White was fast qualifier for the evening. Bobby Richards won the 6-lap trophy dash event and heat wins went to Danny Kladis, Wally Lambert, Emil Raha and Bobby Richards. Phil Palombo is the driver point leader for the second week in a row, followed by George Kladis, John Padilla, Hank Pens and U.A.R.A. President, Gene Varing.

Races are held every Sat-

urday night at Joliet Memorial Stadium. The Stadium is located two miles west of Joliet on U.S. 52. There is free parking available and children under 12 years of age are admitted free when accompanied by their parents.

Time trials at 7:00 p.m. with the first race set for 8:15.

Close Race Marks Play In VFW Golf Loop

The William Martin Post VFW Golf League, formerly the St. Mary Golf League, had a reshuffling of positions as a result of last week's play.

Pearson Dry Wall Construction is on top with a total of 21-1/2 wins with Harr Clippers next with 19-1/2. New Lenox Lumber and Burkhardt Construction are next with 19 each, followed by Mokena Pharmacy with 18 and Bilotti Shoes 17-1/2. Bernardin Florists 15-1/2, escaped the cellar, a spot now occupied by Marty's Shell. The latter team lost four games to the Burkhardts.

A team gets a win for every match won by members. Halving a match makes for half numbers.

Matches are played on Wednesday evenings.

Recreation Program At Sandburg In Full Swing

Athletic Director Joe Devine reports that the Sandburg Summer Recreation Program has gotten off to a successful start in this its third year of operation. Registrations are still being accepted.

The program originated at the high school to help fill the void created by the lack of public recreation facilities in the community. At the present time there are over a hundred youngsters involved in the afternoon program. The high schools facilities are supplemented by the use of the Palos Country Club for golf, whose manager Ralph Krueger has a great interest in junior golf. Frank Chiocca of the Palos Bowling Lanes has also been very generous in offering his facilities to the program.

In the adult education program, Golf Professional Roger Van Dyke reports twenty-five members in his instructional golf class, which meets on Tuesday evenings at 7 o'clock.

Fifty athletes are also enrolled in the evening program, which features weight training, basketball, and other activities and is topped-off with a recreational swim session, for high school members of the program only, on Friday night at 8:00 p.m. The high-school evening program meets Monday, Wednesday, and Friday nights.

The purpose of the pro-

gram is to give community children a place to go where they can spend their leisure time in productive and wholesome activities. Recreation is educational by nature, informal teaching goes on constantly, but individual participation is the primary function of the program.

Assisting Coach Devine are Karen McNaughton, former Sandburg graduate who will teach physical-education in the Minneapolis City System next fall, and Coach

John Wilson of the Sandburg staff.

Motor Club Gives Tips On Vacation Preparations

A handy check list for vacationists has been compiled by the Chicago Motor Club. It includes all those annoying details which you begin to think about on the second day of your trip, when you are 500 miles from home. The motor club suggests that you check each item before leaving, and that you take the list with you, so you can glance at it for reassurance if you are trying to remember whether you told the milkman you were going away.

YOUR HOME

1. Have you temporarily stopped deliveries of newspapers, milk, and laundry?
2. Have you shut off home utilities?
3. Have you provided for cleaning and care of the garden around your home?

4. Have you provided for your dog, cat, birds, or fish?
5. Have you thought about who will pick up your mail and where it is to be forwarded?
6. Have you discouraged prowlers by:
 - (a) Being sure all exterior doors and windows are securely locked?
 - (b) Notifying neighbors and local police that you are taking a trip?
 - (c) Leaving the shades only part way down?
 - (d) Not notifying local newspapers of your vacation until you return?

YOUR CAR

1. Are your tires entirely safe?
2. Has your car been thoroughly checked by a competent mechanic, for motor,

- clutch, brakes, transmission cooling system, fuel system, ignition system, and steering gear?
3. Do you have the necessary equipment you will need, such as a good spare tire, a complete tool set, a tire jack, a tire wrench, pliers, and a flashlight?
4. Have you checked your lubrication for oil change, wheel bearings, transmission, and differentials?
5. Have you the necessary car insurance protection for fire, theft, collision, property damage, and public liability, and will your insurance expire during your trip?

YOURSELF

1. Have you properly planned your itinerary for time available, places to visit, accommodations, points of interest, route information, necessary maps?
 2. Have you a car registration and a valid driver's license with the correct addresses on them? Have you your motor club credentials with you?
 3. Are you taking such essential personal effects such as a vacuum bottle for drinking water, camera and films, personal effects, favorite toilet articles, sun glasses, and a first aid kit?
- Other Chicago Motor Club tips to remember: Don't drive too fast - take your time. Don't drive too far - take it easy. Don't drive when tired - it doesn't pay. Stop for motels early or make reservations ahead.

Howlett commended the review board members for doing the best job possible under the existing revenue law. They work for a limited time each year, compensated at a per diem rate set by their county boards. In general, they work for less pay than their knowledge and talents would command in private employment, Howlett said.

Lacon Gets Help To Build Sewer System

Approval of a \$517,300 grant to help Lacon (Ill.), build a sewer system to promote industrial development was announced today by Eugene P. Foley, Assistant Secretary of Commerce for Economic Development.

Funds will come from the Economic Development Administration, U.S. Department of Commerce. Other financing includes a \$143,600 grant by the Federal Water Pollution Control Administration and \$661,100 by the City of Lacon, for a total cost of \$1,322,000.

Funds will be used to build a sewage collection system and a sewage treatment plant to serve existing industrial firms and to provide facilities for future industrial growth. Construction is expected to be completed in about 14 months.

With no central sewerage system, Lacon industrial firms and individuals have been discharging raw sewage into the Illinois River, or depending upon septic tanks.

Continued employment of the 230 employees of the Lacon Woolen Mills depends upon Lacon's providing an adequate sewerage system, the city reported in applying for the EDA grant.

Lacon is in Marshall County, which qualifies for assistance under terms of the Act.

Invitations Out For Cradle Fashion Show

The voluminous job of addressing completed, the pink invitations to the Tuesday, Oct. 11 Elizabeth Arden Fashion Show have been mailed out for the seventeenth consecutive year. The benefit is the major fund-raising event of the Cradle Society, a private, non-sectarian adoption agency in Evanston which has cared for more than 9700 babies since its founding 43 years ago in March, 1923.

Once again the luncheon and fashion show will be held in the International Ballroom of the Conrad Hilton Hotel, Chicago. Decorations will carry out the traditional pink theme. Mrs. Claude S. Baker, 249 Shady Lane, Downers Grove is chairman of the event, working

with members of the 10 Cradle auxiliaries. South Suburban Cradle Auxiliary member Mrs. Henry Anderson, Redondo and Selva Lanes, Laguna Woods, Orland Park, will be among the 105 women modeling fashions from the Elizabeth Arden collection. Steering committee members from the South Suburban Cradle Auxiliary include president Mrs. Jacob J. Althuis, Oak Lawn, properties and prizes; Mrs. Charles McCarthy, Chicago, advertising; Mrs. Jack Kovarik, Butterfield, Lombard, reservations; Mrs. Jack Sciaky, 8418 Iroquois Road, Palos Park, publicity.

Ticket information is available from Mrs. Kovarik at 627-5436.

8-Card Of Thanks

CARD OF THANKS
We wish to thank all the people from Forest View Subdivision and Lockwood Avenue who helped look for our two little boys who were lost Friday July 15th.
Mr. & Mrs. M. Mohan Jr. & Mr. and Mrs. L. Mohan

CARD OF THANKS
We wish to thank all of our many friends for their help and assistance during our time of bereavement. A special thank-you goes to Father O'Connell, Father Pastick, Father Kaveny, the St. George Nuns, the ladies of the Altar and Rosary Society and to all the ladies and many friends who helped and served lunch. A thank-you is also extended for all the many flowers and letters sent while our dear wife and mother was in the hospital.
Stanley, Mary Alice and Carol Ann Sterkowitz

CARD OF THANKS
We wish to express our sincere appreciation to our friends and neighbors for their kindness and thoughtfulness at the time of the loss of our dear mother. The beautiful floral offerings and memoriams as well as the many cards sent to mother during her hospitalization were greatly appreciated. We also wish to thank Pastor Green and Intern Frahm for their comforting words.

Will Install New Pastor Of Baptist Church On July 31

VIRGINIA SASS

Telephone: 485-6424

An installation service for the Rev. John P. Burger will be held in the Marley Community Church at 2:30 p.m. on July 31. The Rev. Mr. Burger, a 1966 graduate of Northern Baptist Theological Seminary at Oakbrook, Ill., is serving his first pastorate in the Marley Church. Born at Indianapolis, he was graduated from Butler University in 1962. He and his wife, the former Beth Ann Tucker, also of Indianapolis, have a year old daughter, Lisa Lee. On January 23, 1966, Rev. Burger was ordained in the Christian ministry at the First Baptist Church of Westchester, Ill.

The Rev. Harold A. Schlink, northern area secretary of the Illinois Baptist State Convention, will deliver the installation sermon. Included in the program will be the invocation by the Rev. Harold M. Finley of Lockport; words of welcome from the Marley

church by Harwood Stellwagen, chairman of the board of deacons and the scripture and prayer of installation by the Rev. Raymond L. Scott of the Homer Congregational Church.

The Aurora Baptist Association will be represented with greetings from the Rev. Alva M. Varnado of the Mt. Olive Baptist Church of Joliet and the Will County Minister's Association will be represented by the Rev. Lawrence Jantz, pastor of the Nazarene Church of Joliet. Greetings from the Illinois Baptist State Convention will also be extended by the Rev. Mr. Schlink.

The charge to the pastor will be given by the Rev. Paul T. Sanders, director emeritus of the Palos Park Community Center. Rev. Gerald A. Johnson, chaplain at the Silver Cross Hospital, will present the charge to the church with the response by James Tilsy, church moderator.

Special music will also be included in the program. A

reception will follow immediately in the Fellowship Hall.

The annual Marley Bible school and church picnic will be held on July 24 following church services in Haley Park. Dinner will be served at noon. Each family is to bring a main dish and a dessert, their own table service and cloth. Beverages and ice cream will be furnished.

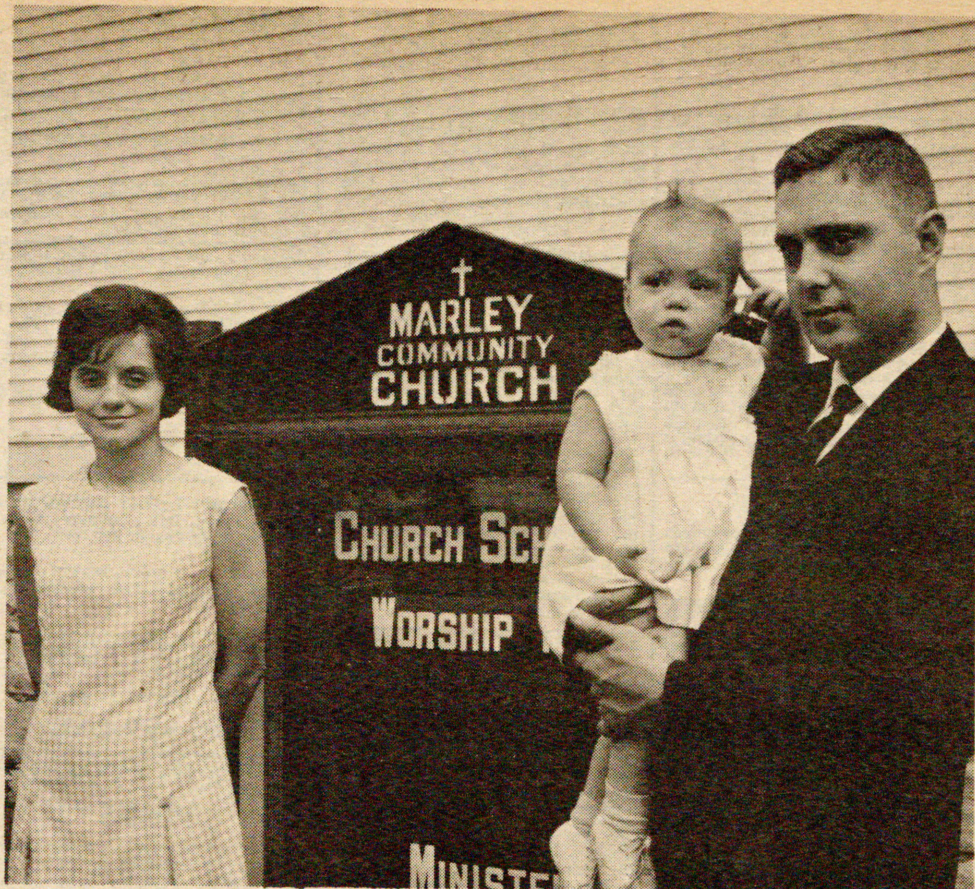

The Marley Missionary Society have set October 6 as the date for their annual bazaar and supper.

Mrs. Kenneth Nutter spent the week end with relatives at Paducah, Ky.

Mr. and Mrs. Herb Crabb and family enjoyed the past week end camping at Illinois Dunes Park in Indiana.

Miss Verda Jo Sass returned home on Sunday after spending four weeks with Mr. and Mrs. LaVerne Herzmann and Karla at Manhattan, Kansas.

Mr. and Mrs. Joseph Dabulskis of Marley are the parents of a baby boy born on July 1 at Silver Cross Hospital in Joliet. He has been named David Allen.

Arsenal Facility Keeps "Red Water" Out Of Streams

A major step in the elimination of local water pollution was taken when the Corps of Engineers formally turned over to Joliet Army Ammunition Plant a "red water" treatment facility.

"Red water" is a by-product of the final stage in the manufacture of TNT. Public health experts have labeled it injurious to both animal and marine life.

The army built the \$8.-2 million treatment plant to eliminate pollution of area streams which might result from TNT production at the local ammunition plant. The commander of the Ammunition Procurement and Supply Agency, Brig. Gen. Bernard R. Luczak, pointed out that the cost of the anti-pollution effort was sharply reduced by the use of excess equipment. Machinery from former TNT plants at Weldon Springs, Mo., Sandusky, and Marshall, Tex. was renovated and used at Joliet.

Gen. Luczak said that "red water" from all TNT lines at the Joliet ammunition plant is treated by the new facility. The waste liquid is evaporated and the solid residue is incinerated. The remaining ash, which is about 85 percent sulphates, is impounded to prevent pollution from that source.

"We also maintain constant water sampling for pollutants in Jordan, Prairie, Grant, and Jackson Creeks," Gen. Luczak said. Automatic sampling stations each take 24 samples daily. These are picked up every 24 hours and chemically analyzed to insure that no water pollution results from TNT production.

The army is offering for sale the ash residue from the "red water" elimination. Sulphates are used in the

pulp paper industry. A composite sampling of the salt cake ash available at Joliet Army Ammunition Plant contained a minimum 75 per cent of sodium sulphate. Other components include sodium sulphite, sodium sulphide, and sodium carbonate. Firms interested in bidding on the salt cake ash are invited to contact the Defense Surplus Sales Office, P. O. Box 13110, Columbus, O. 43213.
